

## LAY CISTERCIANS OF GETHSEMANI ABBEY

We request your annual support check to LCG. While the majority of our LCG efforts are to enhance our relationship with God - and to this end place great emphasis on contemplation, meditation and reading of sacred works - another piece of our dedication and devotion as lay Cistercians is our financial support of LCG.

LCG financial needs are modest, but contributions from members and friends enable us to support and enhance our effectiveness and devotion to the Cistercian charism. Your offerings help assist our newsletter costs, memorials for monks who have died (i.e. annual gift of a tree), administrative costs for the website, annual retreats, monthly cards to monks who are remembered in our monthly prayer ministry, costs associated with the International lay Cistercian meetings, etc.

Your prayers and generous financial support are welcome!
